We may request credit card or other payment information which we maintain in encrypted form on secure servers.

We do not rent or sell your personally identifying information to other companies or individuals, unless we have your consent. We may share such information in any of the following limited circumstances: We have your consent. We provide such information to trusted businesses or persons for the sole purpose of processing personally identifying information on our behalf. When this is done, it is subject to agreements that oblige those parties to process such information only on our instructions and in compliance with this Privacy Policy and appropriate confidentiality and security measures. We conclude that we are required by law or have a good faith belief that access, preservation or disclosure of such information is reasonably necessary to protect the rights, property or safety of B & F Enterprises, LLC, its users or the public.

If you have an account, we may share the information submitted under your account among all of our services in order to provide you with a seamless experience and to improve the quality of our services. We will not disclose your account information to other people or non-affiliated companies, except in the limited circumstances described in this Policy or with your consent.

INFORMATION SECURITY

We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data. We restrict access to your personally identifying information to employees who need to know that information in order to operate, develop or improve our services.

COOKIES

The Site may use cookies and tracking technology depending on the features offered. Cookies and tracking technology are useful for gathering information such as browser type and operating system, tracking the number of visitors to

the Site, and understanding how visitors use the Site. Cookies can also help customize the Site for visitors.

SECURITY

All collected information is stored in a technically and physically secure environment. While we use SSL encryption to protect Sensitive Information online, we also do everything in our power to protect PII (including Sensitive Information) off-line. Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. As a result, while we strive to protect our end-users' personal information, we cannot ensure or warrant the security of any information that you transmit to us, and you do so at your own risk.

ACCESSING AND UPDATING PERSONAL INFORMATION

When you use our services, we make good faith efforts to provide you with access to your personal information and either to correct this data if it is inaccurate or to delete such data at your request if it is not otherwise required to be retained by law or for legitimate business purposes. We ask individual users to identify themselves and the information requested to be accessed, corrected or removed before processing such requests, and we may decline to process requests that are unreasonably repetitive or systematic, require disproportionate technical effort, jeopardize the privacy of others, or would be extremely impractical, or for which access is not otherwise required. In any case where we provide information access and correction, we perform this service free of charge, except if doing so would require a disproportionate effort. Some of our services have different procedures to access, correct or delete users' personal information. We do retain personal information from closed accounts to comply with law, prevent fraud, collect any fees owed, resolve disputes, troubleshoot problems, assist with any investigations, enforce our policies and take other actions otherwise permitted by law. If you have any changes that needs to be made you may contact us at information@bfewebsolutions.net
